

the Temple Of Wombn Presents...

*the 10 Moons Initiation*

*Liberating the Orgasmic Diva in YOU*

June 2010 – March 2011

When Diva Mama Nut and I met on the phone over a year ago, Nut shared the 10 Moons Calendar Oracle and what each moon represented. Though I even resisted this process for fear of losing myself, I was convinced that this was what I needed to do to complete my own personal Shamanic Priestess training that came from within....For many, the act of surrendering to the process of initiation is a scary one. To not know what will happen during the process can be even more frightening. I think that is because many are afraid to know the real truth of their power to create, the power to be all that they are born to be. I understand that fear, that hesitation....knowing your Goddess Self and being responsible for the innate creative ability that is our Divine Birthright. I had lost a part of myself when I began to walk the Spiritual Path...but I have recaptured that part of myself that was most important to who I was born to be. I am grateful. In fact I am knowing what it is like to truly Live Orgasmically and loving every moment of it!

- Diva Tonya K. Freeman | Pendergrass, GA

You won't be sorry sisters, I took the training and my life has transformed so dramatically. I had been a teacher for many years but this took me to a level that cleared a lot of old stuff and it was difficult sometimes but it was definitely worth it. I have a lot more clarity and enjoyment of my day to day life. It's a way to get to the core of your being and

live in a positive state of mind and spirit when you really get who you are, embrace it —what you're here for. I highly recommend it.

- Diva Liaya Aneb Nua | Cleaveland, OH

In the beginning of this year, I felt a strong call to let go of fear in my life.....Carla had been talking to me about the Circle for quite some time and I felt it was something to look into. I came onto that one call and next thing I knew.....I was filling out my application and started on this journey. At first it was totally based on intuition and a knowing it was the right next step in my personal evolution. I also suspected it would support me as I stepped out into the world as the powerful woman that I AM. It has done and continues to do that. I feel that it's shifted me into a place of knowing and really trusting that knowing in a way I didn't before. I feel more confident in my decisions especially as it relates to my ceremonial life/self and working within my community that was/is already in place... all of it is tied in to my 10 Moon Initiation as I claim my authority in all areas of my life.

- Diva Jane Marron-Innmon | Malvern, PA

Goddess have mercy, I would not have wanted to do my inner work of the past 8 years alone.

I love what's possible in this Circle.

- Diva Carla Sanders | Hope, ME

## **Beautiful Beloved Diva Sister,**

We find ourselves in a very pivotal  
YOUiversal time right now.

You may already feel its awakening as a  
stirring new sensation of urgency inside of  
you...

Perhaps you feel connected with and  
in direct care of the world in new  
ways that motivate, surprise and even confuse you.....

YOUiversally, this iz a time of extremely heightened sensitivity  
and passionate engagement with lives, ideas and the world we  
are right now re-creating with great speed.

I am a Nubian-Khamite Priestess, healer's healer  
and Blessed witness to the transformation of the lives  
of hundreds of initiates its been my particular healing to serve.

Since October 2002, I have been blessed and challenged  
with a state of near continuous possession with  
the feminine aspect of Divine I know as Het-Heru,  
the Holy embodiment of  
Love,

Bodily Pleasures,

Abundance,

Beauty,

Compassion,

the Spices of Life

She iz urging my every action, every plan, every dream  
toward awakening in wombn of every faith, who will hear Her,  
the unshakable knowing of Her sovereignty  
and limitless Power already living in You!

Through Her Guiding Spirit, a close Circle of wombn began on  
March 3, 2003, to create a place and a path of Light to fortify and

extend our heightened  
sensitivities and  
awareness and begin  
applying them in our  
rapidly changing, very  
real, and very much ours  
for the shaping, new  
world.

We are calling the wombn  
to step first onto this path  
of Light --

This does not exclude the min,  
there iz a path for them as well that will travel  
alongside the wombn's and eventually the two paths will  
intersect, merge and separate again to continue the evolutionary  
cycle.

The wombn are being called first because at this time  
it iz the essence of the Divine Feminine alive in all wombn  
that iz the foundation for our entry  
into this newest phase of human evolution.

Wombn!  
It iz the season of your Power --

As mothers  
As leaders  
As healers  
As lovers

You don't just have the power  
YOU are that Power!  
Will you use your power to continue  
to block and subdue the full expression of your Light.....  
Or will you let it Love you  
And turn you so completely ON  
That you light up everything and everyone  
    You touch with  
        Happiness  
            Trust  
                Appreciation  
                    Willing Surrender  
                        And Love?

For those called and accepted into *the 10 Moons Initiation*,  
I welcome you into our Divine Circle of Power and Potency  
where we will spend the next 10 moons together  
    Growing, Healing and Playing  
    in a Circle of Unified Intention to reveal  
    your Divine Magiks, Healing  
    Powers and Essential Life's Purpose.

Through weekly interactive tele-circles,  
regular personalized energy attunments,  
daily affirmation meetings,  
and revelatory play, each initiate will.....

\*

even, by an energy speaking and  
connecting to you from behind the words you  
are reading now.....

Then we Welcome you to our Circle!  
Your place of honor has been prepared and awaits you.

Divaliciously Yours,

Nut Tmu-Ankh Butterfly Dreaming,  
mother priestess, founder & Diva Mama of the Temple Of Wombn

*“You should know that you will be challenged, you will be changed. Veils will be lifted, and what will you see? Grandeur... your own. And you will discover you are most Magnificent in the midst of failure, bitchiness, pain, apathy, resistance, muleheadedness. Are you ready for that?”*

*~ Diva Mentor, Carla Sanders*

## Real Magiks for Real Wombn

Every person possesses certain vital currencies. The innerstanding of these natural riches makes Whole Life Mastery possible. **The 10 Moons Initiation** iz organized around the feminine exercise of these powers.

## The 5 Magiks

### Sex Magik

Orgasmic Essence iz what gives us our power to Create. It iz the one aspect of our time/space experience which retains a permanent link to our Divine origins, and Wombn are the gatekeepers of this Divine connection. In the Nubian-Khamite tradition, the word for knowledge and the word for vulva are the same -- sh'tet.

You will learn and experience for yourself the fundamental union between Higher Awareness and Wombn's Orgasmic Truth!

### Wealth Magik

As a Wombn it iz natural for you to command power, influence, money, industry & lands. Too many of us have been convinced that the only way to access these forces iz by replacing our natural feminine essence with an masculine imitation. Imagine how much more you will accomplish by your natural, feminine wealth muscles, which were the original models for commerce & trade.

### Soul/Self Magik

How many Wombn do you know who consistently make time, food, run errands for others but hardly ever for themselves? We've been taught to fear appearing "selfish" almost as ferociously as we do our

sexuality. Conscious Self Fullness iz a vital art which strengthens, not lessens, our ability and Desire to give to our world.

### Spirit Magik

Wombn's intuition, being "sensitive", Mother wit... These are all ways of labeling, yet not fully recognizing the natural communion link all Wombn have with Divine. What if you started tuning in to the fullness of your own Divine receiver abilities? Would you then see how well the word "Goddess" suits you?

### Circle Magik

Wombn are the glue of civilization. We are the gatherers. We are the fabric that defines families, friendships, loves, neighborhoods, offices, economic & lifestyle trends, and the growth & evolution of humankind. The Circles you create and live in are examples of your awesome power to create, extend &/or reinvent the connections that sustain and inspire everyone you touch.

## Curriculum

**The Sacred Circle** - Throughout the 10 Moons you will be treated to a weekly, interactive phone meeting known as the Divas Sacred Circle!

The writer (& Diva) SARK calls telephones "*psychic sound chambers*".

Our Monday night Diva Call iz like stepping into a psychic sound, light & love embrace, that simply must be experienced to be understood! From the beginnings of time Wombn have used the Sacred alkhamy of the Circle to teach, heal, celebrate and govern.

The Circle iz a Living Essence that unites us with all our Mothers who have come before us, with all Wombn everywhere who now share this life walk with us, and with all our Daughters & Sisters who will continue after us.

Through the Circle  
we feel their pain,  
sing their freedom,  
dance their Beauty,  
take ownership of their Dreams,  
and give birth  
to the new evolution of humankind!

The Sacred Circle iz the core of the **10 Moons Initiation**.  
The Circle iz our Mother.

**Private Healing Sessions** - As powerful as the group dynamic of the Sacred Circle iz, your initiation could not be complete without equally focused and loving attention to your individual healing needs/Desires.

As a Diva Initiate, you will choose two **Mother Magiks** through which to focus your progress. You will be paired with a Diva Mentor with whom you will have small group monthly **Magik Mothermind Sessions** to further fine tune your Diva Mastery.

If you Desire, your **10 Moons Initiation** can also include monthly 90 min **Magik & Mastery** sessions with Diva Mama, Nut; where you will be given custom designed healing tools to anchor your ownership and confident mastery of the most powerful expression of your Soul's Core Desire. Each session will be a multidimensional experience of your own indwelling healing power.

**Diva Appreciation Rituals** - Each of the Wombn drawn to the **10 Moons Initiation** iz uniquely gifted, accomplished, passionate and deeply in touch with her own Divine Essence. Each New Moon you will be paired with another Diva Initiate as your Diva Appreciation Partner. At least three times each week, for around 15 mins, you'll share a special **Diva Appreciation Ritual** with her. These rituals are soul-lifting experience you will want to repeat often! Through them you'll form lasting, intimate and vitally affirming relationships with each of your Diva Initiate Sisters.

**Your Diva PlayBook** - At least 80% of the value of the **10 Moons Initiation** iz in the formless energy attunments & healing you'll receive through communion with the Sacred Circle and in private healing sessions. However,

long after your **10 Moons Initiation** is over, you will have need of the tools & wisdom gained during our time together. Throughout the course of the Initiation you will be given exclusive tools, exercises and teachings for the creation of your own **Diva PlayBook!** Your PlayBook will be a permanent source from which to draw & expand on vital healing information for yourself and for others.

**Your Diva Playlist** - We want you to know you can re-enter the healing embrace of our **Sacred Circle** any time you choose. While you will learn to do this using nothing more than your clearly held intention, we also want you to have the option of re-living our Monday night Diva Calls at the push of a button, when & wherever you want.

Exclusive *mp3 recordings* - available only to *10 Moons Initiates* - of each Monday night Diva Call will be posted on a special web page for you to listen to online or download every week.

**Free Membership in the Womb Wisdom Healers Circle** - We're committed to providing you with the dedicated support you deserve and need to realize your Desires, that continues well after your initiation. As a *Diva Initiate*, you will be given a free Emergent Healer membership in the *Womb Wisdom Healers Circle*, including free admission to monthly New & Full Moon Circle Calls, & listen & download access to the complete audio archive of ALL Diva Calls for TWO full years!

**Ongoing E-mail & Phone Support** - As a *Diva Initiate*, you will be part of a tightly held Circle of Love & Vital Feminine Power. Anything that concerns your growing into full mastery of your Wombnly Essence (& that really is everything!), can and should be brought into the Circle, or if you prefer, shared privately with Diva Mama, Nut or your Diva Mentor. Our phone lines & inboxes will always be open to you!

AND

Last, but not least...

**Diva Coronation** - Included in your **10 Moons Initiation**, iz your attendance as our most honored guest, in the **Diva Coronation & Retreat!** Cum April 2011, we will gather live & in the flesh for four days of ceremony, to consecrate and celebrate all that you have blissfully achieved and will continue to master, as a Graduate Diva Initiate.
